

2023 Aviatrix Albariño **Winemaker Notes/Fact Sheet**

We are so excited to share our first-ever white wine for Aviatrix – a Napa Valley AVA Albariño. Our Aviatrix label is about exploring and trying new things, branching out, pushing ourselves to fly higher and pursue new adventures. We have been Albariño fans for many years so when the opportunity to make our own came up, we knew it was the perfect choice for our first white wine. Our Albariño is medium-light bodied, delightfully tropical, with zesty, uplifting acidity. We hope you enjoy our latest Aviatrix adventure!

Tasting Notes: Tasted 5/22/24 by Heidi, Chelsea & Remi Barrett

The Aviatrix Albariño is pale white gold in color. Aromas of fresh pineapple as well as pineapple candy rise from the glass, along with tropical notes of starfruit, melon, and even a bit of cucumber. Subtle herb notes of thyme and tarragon, a floral hint of rose petal, minerality, and the lightest whisper of vanilla add intrigue to this deliciously mouth-watering wine. Flavors are elegant and bright with a graceful finish. The aroma and flavor is very temperature-dependent – much more expressive when not super cold, so we recommend serving it just lightly chilled or at cellar temp.

Aviatrix wines are dedicated to the intrepid women throughout the history of aviation, who surpass society's expectations and limitations to soar to new heights. 'Aviatrix' means a female aviator – Heidi is a helicopter pilot as well as a winemaker. We are proud to offer this meaningful wine and carry on family tradition with our mother-daughter winemaking collaboration. In addition to the Albariño, we currently have a sparkling wine and 2 reds available through Aviatrix - Grenache & Cabernet Sauvignon, as well as our line of La Sirena wines. Production is always small, focusing on fine wines of purity and excellence. We hope Aviatrix will inspire you to soar!
